## Featured Winery

What began as a farming project grew into one of the most prevalent wineries in the Napa and Sonoma regions. With their winery set atop the Mayacamas range and bisected by the border of Napa Valley and Sonoma County, Jim and Carolyn Pride have built one of the most important and consistent wineries in Northern California. Their Viognier and Merlot are some of the most celebrated wines in the region. Family traditions root this family in farming as their children have continued their legacy. Below are some of their finest selections.
